Welcome to a new Year. As a club we will be hitting the ground running, beginning with our WinterFest. What started as a small gathering several years ago has grown to a respectable hamfest. This weekend we are told by the weather guessers that we will be having a clear day and temperatures in the low 60s. As we have in the past several years, it will be held at the Vietnam Veterans Association, 8000 Derry St., Harrisburg on January 11, 2020. Vendors can get in about 7am, and general public can arrive at 8am.

For those of you who check into the club net on 146.76 (100hz) on Wednesday evening at 8pm, you may have noticed a new net control. Dave (KC3MG) and I will be sharing the net control duties going forward. Steven (KA3PDQ) has been our net control for a remarkable 26 years, and 917 nets. Many thanks to Steven for a job well done.

February we will be having our annual banquet at the Old Country Buffet on rt 22, Colonial Park, beside the Home Depot. We begin at 6pm and will be handing out awards, and door prizes after dinner. Everyone is responsible for his, or her own meals. This is a good time, but you must be a paid up member to win prizes.

We will be covering many topics at the meeting this week. We have plans for Winter Field Day, and we are going to go over events for the summer. There will also be a presentation about home weather stations by Michael W3MSB during the Elmer (Mentor) time.

Terry

WB3BKN

The December 11, 2019 meeting of the Harrisburg Radio Amateur's Club, Inc. was called to order at 1900 HRS by the President, Terry Snyder (WB3BKN). The usual member introductions were made.

Secretary Report – The minutes of the November 13, 2019 meeting were Published in the newsletter. Karl (W3KBG) Made a Motion to accept the minutes as published Robert (K3RTS) seconded the motion. Motion Passed.

Treasurers Report – Nick (AA3T) read the report. Karl (W3KBG) made a motion to accept the report, Chuck (N3WL) seconded the motion. Motion carried. A motion was made by Bill (KE3YC) to send HACC a \$200.00 donation, and seconded by Chuck (N3WL). Motion passed.

License Trustee – Steven (KA3PDQ) reported that there were no changes.

Equipment Trustee – All equipment accounted for and insured.

Repeater Committee – Terry (WB3BKN) reported that a plan had been developed to use the 2 bay dipole on the tower. Waiting for better weather to do the install.

Laurel VE Committee – Steven (KA3PDQ) reported that the next exam session scheduled for December 21, 2019 at HACC. Steven also reported that the Club will have opportunities for exams in January and February 2020.

FROM THE EDITOR'S DESK

The following article was provided & written by Richard (KB3YRC). This can also be found in several written publications:

What it takes to be an amateur radio operator
By Richard E. Lenker (KB3YRC)

Would you like to try your hand at talking on an amateur radio, listening, or speaking with an individual, either locally or across the country or around the world? If so plan to attend one of the many amateur club events held here in central Pennsylvania.

To start out, get involved and meet an amateur radio friends, you can attend a club meeting. There are two local clubs events scheduled for.

January 15th The Harrisburg Amateur Radio Club meets at HACC Harrisburg's campus in the Public Safety Building room 210. Off Industrial Road gate 5. The educational session starts at 6:30 PM, and the club meeting starts at 7 PM till 8:30 PM. See the web site for details W3UU.org.

January 16th The Central Pennsylvania Repeater Association meets at Hoss's in Hummelstown. Come and eat with the group at 6-7 PM, and the meeting starts at 7 PM – 9 PM. Please view the web site for details at W3ND.Org

What do I need? A radio Technician operator's License. Don't have one we can help you. Study guides are available in print, online and CD or DVD, classes are available in the area. Free testing is once a month at HACC. Register at the web site at W3UU.org

Later a radio! You will eventually need an amateur radio, but the radio can be inexpensive. A portable handheld radio can be purchased from \$ 40.00 to \$150.00. You can also buy used equipment or purchase new equipment in order to get started.

What do I get for being an operator? You will meet new friends, either locally, national, or internationally. The pride of help others in communication link in emergencies. And if you're lucky, talk to the international Space station with that portable radio and a handheld antenna.

What can I do? You can participate in Skywarn weather events, Field day drills, help with marathons 5K runs, participate at the event site, or from the comfort of your own home.

Come out and visit and shake my hand, I'll be glad to see you.

Check out the web site or e-mail me Richard at KB3YRC@Comcast.net or Phone 717-236-1864
